PUMP DISPENSING

PD

EASY DISPENSING

GUALA PUMP DISPENSER does really meet Personal Care products requirements for a fashionable, exclusive and top quality level package. In one word, GUALA PUMP DISPENSER symbolizes the precious package for the luxury content.

SHELF IMPACT

Fully tailor-made pump dispenser, thanks to wide range of colour options and off-set decorations.
50, 75 and 100 ml sizes available.
World-wide recognised as industry standard.

RESPONSIBLE PACKAGING

Tamper evident seal, to be removed on first use, and self closing shutter valve mechanism protect contents from contamination guaranteeing product integrity, even satisfying pharmaceutical high level requirements.

UNIQUE PERFORMANCE

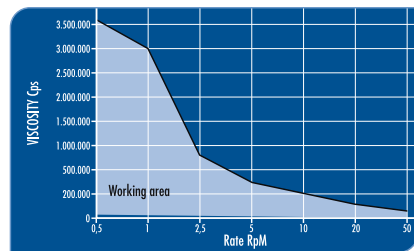

Ideal to dispense a wide range of viscous formulations. Clean, neat and constant dispensing of 2 ml dose by a one-hand action. Surface or deep stripes options.

HIGH QUALITY STANDARD

High quality standard is ensured through SPC and 100% automatic Q.C. on line.

VISCOSITY RANGE

GUALA Pump Dispenser can easily supply a wide range of high viscosity creams and gels such as sun-creams, toothpastes, hair pomades, pharmaceutical creams.

EASY FILLING

GUALA Pump Dispenser can be filled by using standard tube fillers with minor modifications. Low pressure is required to insert the piston.

CLEAN DISPENSING

The self reclosing actuator provides a neat and clean dispensing.
