TRIGGER SPRAYERS

TS3 BICOLOR

Spray system

ERGONOMIC EVOLUTION

By using the proven technology of our TS3, with over 2 billion sales, the TS3 BICOLOR is the true symbol of a custom-made product.

GUALA have combined the TS3 platform with a BICOLOR shroud and a new lever, improving the ergonomics with the benefits of an all plastic trigger sprayer. The BICOLOR shroud is sure to give your product a powerful shelf impact with assured 100% in line automatic quality checks.

SHELF IMPACT

Improved ergonomics and powerful shelf impact. Wide range of colour options.

HIGH QUALITY STANDARD

High quality standard is ensured through SPC and 100% automatic Q.C. on line.

UNIQUE FITTING ONTO THE BOTTLE

Snap On feature simplifies and speeds the capping for a cost effective filling operation. Bayonet twist-off makes easier and quicker refill operation.

PROVEN TECHNOLOGY: OVER 2 BILLION SOLD

GUALA introduced bellow technology into a trigger sprayer. 100% on-line tests with fluidic controls and high speed cameras. Special compound of Polyolephin. 60% dose rise with no weight or volume increase of the trigger up to 1,3 ml.

SPRAY AND FOAMING NOZZLE

TS3 offers a wide range of nozzles options: two fine sprays, three different foams, conventional, creamy and extra creamy. Both spray and foaming nozzles are twist-off nozzles.
